

TERMS AND CONDITIONS OF PURCHASE - GOODS

In these General Terms and Conditions of Purchase, "Buyer" shall mean the NEXPERIA entity listed on the face of the purchase order.

1. ACCEPTANCE

This order ("Order") is Buyer's offer to Seller. When Seller accepts this Order, either by acknowledgement, commencement of performance, or by delivery of any items ordered, it shall be a binding contract ("Contract").

THIS ORDER IS LIMITED TO THE TERMS AND CONDITIONS SPECIFIED ON THE FACE AND REVERSE OF THIS DOCUMENT AND ANY ATTACHMENTS. BUYER DOES NOT AGREE TO ANY PROPOSED ADDITION, ALTERATION OR DELETION BY SELLER. THESE TERMS AND CONDITIONS CAN BE VARIED ONLY BY A WRITING SIGNED BY BUYER. ANY OTHER STATEMENT OR WRITING OF SELLER SHALL NOT ALTER, ADD TO, OR OTHERWISE AFFECT THESE TERMS AND CONDITIONS.

2. INVOICES

Invoices shall be submitted in triplicate and shall contain the following information: purchase order number, item number, description of items, sizes, quantities, unit prices and extended totals in addition to any other information specified elsewhere herein. Payment of invoice shall not constitute acceptance of goods and shall be subject to adjustment for errors, shortage, defects in goods or other failure of Seller to meet the requirements of the Order. Buyer shall pay such invoice within ninety (90) days from the end of month of the invoice date.

3. ASSIGNMENT AND SUBCONTRACTS

Seller shall not assign, transfer, subcontract or delegate this Order or any right or obligation hereunder, or any part thereof, including the accounts receivables without the written consent of Buyer. Any assignment without Buyer's written consent shall be void and have no binding effect upon Buyer. No subcontract entered into by Seller shall relieve Seller of any of its liabilities and/or obligations. Purchases of parts and materials to comply with this Order shall not be construed as assignments or subcontracts. Buyer may assign any contract to any of its Affiliates or to any third party in connection with a merger upon written notice to Seller.

The term "Affiliate" shall mean, with respect to a party, any corporation or other legal entity that now or hereafter Controls, is Controlled by or is under common Control with such party; where "Control" means the direct or indirect ownership of greater than fifty percent (50%) of the shares or similar interests entitled to vote for the election of directors or other persons performing similar functions. An entity is considered an Affiliate only so long as such Control exists.

4. CASH DISCOUNTS

Time in connection with any discount offered will be computed from (i) scheduled delivery date, (ii) date of actual delivery, or (iii) date an acceptable invoice is received by Buyer's Accounts Payable Department, whichever is later. Payment is deemed to be made for purpose of earning a discount on the date of mailing of Buyer's check.

5. SETOFFS

Buyer shall have the right to apply any amount which Seller may owe to Buyer against open invoices as directed solely by Buyer, until the full amount has been credited to Buyer.

6. PRICING AND TAXES

(a) All fees and amounts payable by Buyer to Seller are exclusive of any value added tax, goods and service tax, sales tax, use tax, consumption tax or any other similar tax only (collectively referred to as "VAT"). If the transactions as described in this Order are subject to any applicable VAT, Seller shall provide Buyer with an

invoice which specifically states this VAT and which also complies with the applicable tax regulations (“valid invoice”). Provided Seller has stated VAT (as identified above) on a valid invoice Buyer will pay to Seller the VAT properly chargeable in respect of that payment. Buyer reserves the right to withhold payments to Seller until Seller has provided Buyer with a valid invoice. If Seller has incorrectly determined the amount of VAT chargeable to Buyer, then the invoice shall be corrected and:

- when Buyer has overpaid any amount of VAT, Seller will repay this amount of VAT plus interest to Buyer; or
- when Buyer has paid less than the correct amount of VAT, Buyer shall pay the outstanding amount of VAT to Seller upon receipt of a valid invoice.

Buyer reserves the right to claim compensation for damages in case a VAT deduction is denied or VAT refund is rejected due to Seller's failure to issue a valid invoice.

- (b) In the event that any applicable law requires Buyer to withhold taxes or similar deductions (including interest, penalties, and additions thereto) imposed on payments made or to be made by Buyer to Seller, Buyer may deduct such taxes from such payments provided that such taxes are paid to the appropriate tax authorities. In such event Buyer shall furnish Seller with tax receipts issued by the appropriate tax authorities to enable Seller to support (if applicable) a claim for credit against income taxes as well as to enable Seller to document (if necessary) Seller's compliance with tax obligations in any jurisdiction outside Seller's home country.
- (c) Seller warrants that the prices for goods will not be less favorable than prices applicable to sales by Seller to any other customer purchasing like quantities of substantially comparable products.

7. GIFTS

Seller shall not make or offer gifts or gratuities of any kind to Buyer's employees, agents or members of their families to secure or influence any business transaction. Violations shall be a material breach of this Contract.

8. DELIVERY

Time is of the essence for the purposes of Seller's obligations under the Agreement. All goods shall be delivered Delivery Duty Paid ("DDP", latest version of Incoterms as issued by ICC, Paris, France) and risk and title to the goods (free and clear of any encumbrances) shall pass to Buyer on delivery, unless expressly otherwise agreed in writing by Buyer. Seller shall make no deliveries before the agreed delivery date(s) and Buyer shall not be liable for any costs caused by or related to production, installation, assembly, commissioning or any other work related to such goods prior to delivery, except as explicitly agreed to by Buyer. If goods are not delivered by the date specified on the Order (the "Delivery Date"), Buyer will be entitled, in addition to its other rights and remedies, to terminate, without liability, this Order as to items not yet shipped, by written notice effective upon receipt by Seller. In this instance, Buyer may purchase substitute goods elsewhere and charge Seller for any loss incurred. If it appears that Seller will not meet the Delivery Date, Seller will (i) immediately notify Buyer and (ii) ship by air freight or other expedited routing, at Seller's expense, if and in the manner requested by Buyer. If only a portion of the goods are available for shipment to meet the Delivery Date, Seller will notify Buyer and ship the available goods unless otherwise directed by Buyer. Buyer may return any unauthorized under-shipment or any over-shipment at Seller's risk and expense. Where the Agreement provides for installation, commissioning or any other work to be carried out by Seller such work shall be executed with good workmanship and using proper materials. As a minimum requirement, such goods shall comply with all applicable quality and certification standards. Seller shall pack, mark and ship the goods in such manner as to prevent damage during transport and which facilitates unloading, handling and storage. For all software, including without limitation device drivers, firmware and any necessary software for the proper operation and support of the goods (collectively "Software") Buyer and its Affiliates are granted a perpetual, non-exclusive, non-transferable, irrevocable, royalty-free, worldwide right and license to use, reproduce, prepare derivative works of and distribute the Software in connection with Buyer's distribution and support of the goods including without limitation distribution in electronic form (e.g. via Buyer's website). Seller agrees to provide all updates and modifications to the Software to Buyer during the term of the Agreement without additional charges. Any license fees for Software shall be included in the purchase price or any other amounts payable under the Agreement.

9. PACKING AND SHIPMENT

Unless otherwise specified, when the price of this Order is based on the weight of ordered goods, such price covers net weight of material ordered only. Any charges for boxing, crating, handling, storage or other packing requirements shall be stated separately on Seller's invoice. Seller shall mark all containers with necessary lifting, handling and shipping information and also purchase order numbers, release numbers, dates of shipment, and the names of the consignee and consignor. An itemized packaging sheet must accompany each shipment. No partial or complete delivery shall be made prior to the date or dates shown unless Buyer has given prior written consent.

10. CHANGES

The Buyer may at any time, by a written and/or verbal order and without notice to sureties or assignees, suspend performance hereunder, increase or decrease the ordered quantities or make changes within the general scope of this Order in any one or more of the following ways: (a) Applicable drawings, designs or specifications; (b) Method of shipment or packing, and/or, (c) Place of delivery and/or delivery schedule. If any such change causes an increase or decrease in the cost of, or the time required for performance of this Order, an equitable adjustment shall be made in the Order price or delivery schedule, or both and the Order shall be modified in writing accordingly. No claim by Seller for adjustment shall be valid unless asserted within twenty (20) days from the date or receipt by the Seller of the notification of change provided, however that such period may be extended upon the written approval of the Buyer. Nothing in this paragraph shall excuse the Seller from proceeding with the Order as changed or amended.

11. LIMITED INCOMING INSPECTION

Upon delivery the Buyer will inspect the goods only with regard to their type and quantity and for externally visible damage caused by transportation "Incoming Inspection". Buyer is not obliged to carry out a more detailed examination on arrival. If defects are noticed during the Incoming Inspection Buyer will inform Seller without delay. Buyer will inform Seller about other defects when detected by Buyer during due cause of business. Seller hereby waives his rights to reject delayed notification of deficiency.

12. RESPONSIBILITY FOR GOODS.

Irrespective of any prior inspections or the point of delivery pursuant to the applicable Incoterm, Seller shall bear all risks of loss, damage, or destruction for nonconforming goods. Seller shall also bear the same risks with respect to goods rejected by Buyer. Buyer shall be responsible for any loss occasioned by the gross negligence of its employees.

13. PATENTS AND TRADEMARKS

Seller warrants that all goods and services shall not infringe on any third party patent, copyright, trade secret, trade name, trademark or service mark, or other proprietary right. Seller shall at its own expense defend, indemnify and hold Buyer, its officers, directors agents, representatives and employees harmless from any and all claims, liabilities, damages, and expenses (including attorneys' fees actually incurred) by virtue of any proceedings, claimed infringement of patents, copyrights, trade secrets, trade names, trademarks, service marks, or other proprietary right in connection with goods or services supplied.

14. TOOLING AND DOCUMENTS

All specifications, drawings or other documents and data furnished by Buyer and all tools, dies, molds, jigs, fixtures, patterns, machinery, special test equipment, special taps and gauges which have been furnished, paid for, or charged against Buyer, or which have and their cost amortized shall be deemed Buyer's property, treated as Buyer Confidential Information.

Any specifications, drawings, information, tools, moulds, masks, jigs, dies and other materials furnished to Supplier or funded or paid for by Buyer (whether separate or as a part of the unit price), in whole or in part, shall

(i) remain or become as of the moment of completion thereof, Buyer's property, provided the risk therefor (including risks of loss or damage) remains with Supplier until delivery to Buyer, (ii) if use thereof by Supplier is allowed by Buyer, be used exclusively for the purposes of the Agreement, be properly used, maintained and kept in good working condition at Supplier's expense, (iii) be clearly marked as Buyer's property and be kept in separate storage when not in use, and (iv) be delivered to Buyer promptly on Buyer's demand. Supplier shall inform any third parties who might seek recourse thereon of Buyer's proprietary right; Supplier shall immediately inform Buyer of any such event. Supplier shall take out adequate insurance, mentioning Buyer as beneficiary, for all property of Buyer in the possession of Supplier.
