

TERMS AND CONDITIONS OF PURCHASE - SERVICES

Buyer and Contractor agree as follows:

In these General Conditions of Purchase, "Buyer" shall mean the NEXPERIA entity listed on the face of the purchase order.

1. ACCEPTANCE

This order ("Order") is Buyer's offer to Contractor. When Contractor accepts this Order, either by acknowledgement, commencement of performance, or by delivery of any items ordered, it shall be a binding contract ("Contract").

THIS ORDER IS LIMITED TO THE TERMS AND CONDITIONS SPECIFIED ON THE FACE AND REVERSE OF THIS DOCUMENT AND ANY ATTACHMENTS. BUYER DOES NOT AGREE TO ANY PROPOSED ADDITION, ALTERATION OR DELETION BY CONTRACTOR. THESE TERMS AND CONDITIONS CAN BE VARIED ONLY BY A WRITING SIGNED BY BUYER. ANY OTHER STATEMENT OR WRITING OF CONTRACTOR SHALL NOT ALTER, ADD TO, OR OTHERWISE AFFECT THESE TERMS AND CONDITIONS.

2. SERVICES AND FEES

The Description of Work as delineated in the purchase order / Contract, describes the services that Contractor will perform and the fees which Buyer will pay in return. No work is to be performed hereunder until Contractor and Buyer execute a Contract and Contractor receives a purchase order number from Buyer. Invoices shall be submitted in triplicate and shall contain the following information: purchase order number, description of services, and extended totals in addition to any other information specified elsewhere herein. Buyer shall pay such invoice within ninety (90) days from the end of month of the invoice date.

3. TERM

Contractor will begin work on the date referenced in the Contract and, unless terminated sooner, the Contract will end when the services are completed.

4. ACCEPTANCE OF DELIVERABLES

Buyer will tell Contractor in writing within fifteen (15) days of receiving a deliverable whether it accepts or rejects that deliverable. Buyer may reject any deliverable which does not comply with the Description of Work and/or with Buyer's standards. If Buyer fails to notify Contractor within the specified time, Buyer will accept the deliverable. If Buyer rejects it, Buyer may either terminate the Contract pursuant to paragraph 7(a), or allow Contractor an opportunity to revise the deliverable to render it acceptable to Buyer.

5. REPORTS

At least once a month, Contractor will report to Buyer on the status of the work. On reasonable notice, Buyer may inspect Contractor's work in progress and receive copies of it.

6. PRICING AND TAXES

(a) All fees and amounts payable by Buyer to Contractor are exclusive of any value added tax, goods and service tax, sales tax, use tax, consumption tax or any other similar tax only (collectively referred to as "VAT"). If the transactions as described in this Order are subject to any applicable VAT, Contractor shall provide Buyer

with an invoice which specifically states this VAT and which also complies with the applicable tax regulations (“valid invoice”). Provided Contractor has stated VAT (as identified above) on a valid invoice Buyer will pay to Contractor the VAT properly chargeable in respect of that payment. Buyer reserves the right to withhold payments to Contractor until Contractor has provided Buyer with a valid invoice. If Contractor has incorrectly determined the amount of VAT chargeable to Buyer, then the invoice shall be corrected and:

- where Buyer has overpaid any amount of VAT, Contractor will repay this amount of VAT plus interest to Buyer; or
- where Buyer has paid less than the correct amount of VAT, Buyer shall pay the outstanding amount of VAT to Contractor upon receipt of a valid invoice.

Buyer reserves the right to claim compensation for damages in case a VAT deduction is denied or VAT refund is rejected due to Contractor's failure to issue a valid invoice.

- (b) In the event that any applicable law requires Buyer to withhold taxes or similar deductions (including interest, penalties, and additions thereto) imposed on payments made or to be made by Buyer to Contractor, Buyer may deduct such taxes from such payments provided that such taxes are paid to the appropriate tax authorities. In such event Buyer shall furnish Contractor with tax receipts issued by the appropriate tax authorities to enable Contractor to support (if applicable) a claim for credit against income taxes as well as to enable Contractor to document (if necessary) Contractor's compliance with tax obligations in any jurisdiction outside Contractor's home country.
- (c) Contractor warrants that the prices for services and deliverables will not be less favorable than prices applicable to sales by Contractor to any other customer purchasing substantially comparable services and deliverables.

7. TERMINATION

- (a) If any deliverable is rejected by Buyer or is not delivered by its due date, then Buyer may terminate this Contract immediately by giving written notice to Contractor and will not owe any amount for deliverables which have not been accepted.
- (b) Buyer may terminate this Contract immediately if Contractor or any of its agents breach the confidentiality provisions or the indemnity provisions.
- (c) Buyer may terminate the Contract without any reason by giving twenty-four (24) hours written notice to Contractor. If Buyer terminates for convenience, it will pay Contractor a prorated amount for partially completed deliverables.

8. RELATIONSHIP OF PARTIES

Contractor is an independent contractor, not an employee of Buyer. No employment relationship is created by this Contract for contracted services, and:

- (a) Contractor is not a Buyer employee and is ineligible for any Buyer employee benefits. Contractor acknowledges he is not eligible to receive, and expressly waives any and all rights or entitlement to Buyer-provided benefits, including, but not limited to 401(K) and ERISA in connection with the terms of this independent contractor relationship. Further, Contractor waives any entitlement to employee benefits if it is subsequently determined that eligibility does exist by any state, local or federal agency.
- (b) Contractor, as used in this Contract, means the person that signs this Contract and all its agents.
- (c) Contractor shall retain independent, professional status throughout this Contract and shall use their own discretion in performing the tasks assigned.

- (d) Contractor will report as income to the appropriate government agencies all compensation received pursuant to this Contract and will pay when due all applicable taxes, including income and estimated taxes, incurred as a result of the compensation paid by Buyer to Contractor for services under this Contract. Buyer will not make deductions from its fees to Contractor for taxes, insurance, bonds or any other subscription of any kind. On request, Contractor shall provide Buyer with proof of timely payment thereof. Contractor shall indemnify Buyer for any claims, costs, losses, fees, penalties, interest, or damages suffered by Buyer resulting from Contractor's failure to comply with this provision.

9. INSURANCE

Contractor will maintain worker's compensation insurance, state disability insurance, sufficient comprehensive general liability insurance, and such other insurance as Buyer may reasonably request. At Buyer's request, Contractor will make Buyer an additional insured on any such policy (other than workers compensation or state disability). Contractor will furnish to Buyer, at Buyer's request, a certificate of insurance documenting any of the above mentioned coverage. All such insurance certificates shall provide that they shall not be cancelled or amended without thirty days prior written notice to Buyer and shall be with insurance companies reasonably satisfactory to Buyer. Insurance shall be maintained for the period specified by Buyer or so long as work on the premises is ongoing, if no period is specified.

Without limiting the scope of this duty, Contractor agrees to limit its internal distribution of Buyer Confidential Information to its employees and agents who have a need to know and to take steps to ensure that the dissemination is so limited. Contractor agrees not to use any Buyer Confidential Information for its own benefit or for the benefit of anyone other than Buyer. Therefore, Contractor agrees to assign and does hereby expressly assign to Buyer all rights, title, and interest in and to the Work Product of this Contract including any and all moral rights Contractor may have in any software

which is a part of the Work Product. Contractor also hereby forever waives and agrees never to assert any and all moral rights Contractor may have in any software which is a part of the Work Product, even after termination of Contractor's work on behalf of Buyer. During and after this Contract, Contractor will assist Buyer in every way, at Buyer's expense, to secure, maintain and defend for Buyer's benefit all copyrights, patent rights, mask work rights, trade secret rights and other proprietary rights in and to the Work Product.

12. LICENSE TO USE CONTRACTOR'S RELATED RIGHTS

Buyer acknowledges that from time to time Contractor may have intellectual property rights which Contractor wishes to incorporate into the Work Product of this Contract or which may be necessary for the utilization by Buyer of such Work Product ("Contractor's Related Rights"). Unless otherwise agreed in advance, Contractor hereby grants Buyer, and its subsidiaries and Affiliates, a royalty free irrevocable, worldwide, non-exclusive license to use, disclose, reproduce, modify, license and distribute Contractor's Related Rights. Contractor's Related Rights, if applicable, will be specifically outlined in this Contract. Contractor will indemnify, hold harmless and, at Buyer's request, defend Buyer, its subsidiaries and Affiliates from and against all claims, liabilities, damages, losses and expenses including, but not limited to reasonable attorneys' fees and costs of suit, arising out of or in connection with all claims that the use or disclosure of Contractor's Related Rights and/or Contractor's Work Product violates any third party's rights

13. NO CONFLICT

Contractor represents and warrants that its performance of this Contract will not conflict with any other contract to which Contractor is bound, and while working on this Contract, Contractor will not engage in any such consulting services or enter into any agreement in conflict with this Contract.
